Cc: Principal APSIT <principal@apsit.edu.in>, Prof. A.M. Deshpande <amdeshpande@apsit.edu.in>, Prof. S.H. Malave <shmalave@apsit.edu.in>, Dr. Jaya Gupta <jdgupta@apsit.edu.in>, Anagha Aher <anaher@apsit.edu.in>, Prof. S. A. Jain <sajain@apsit.edu.in>, Dr. Pravin Prakash Adivarekar <ppadivarekar@apsit.edu.in>, Vaishnavi Kandalgaonkar <Vaishnavi.Kandalgaonkar@larsentoubro.com>, Avinash Andhale <Avinash.Andhale@larsentoubro.com>

Good Morning Sir,

We are writing to formally acknowledge and appreciate the successful completion of the 6 month internship (5th August 2025 to 5th February 2026) by the students. Their dedication, commitment, and professional conduct during this period have been exemplary.

The following groups have contributed to the initiatives:

- Group 1: Prachiti Parab (CSE AIML), Bhushan Dike (Computer Engg), Abhimanyu Deshmukh (CSE DS), Omkar Chandgaonkar (IT)
- Group 2: Ritesh Singh (CSE AIML), Suhani Shah (Computer Engg), Harshal Sakpal (IT)
- Group 3: Mohini Deore (CSE DS), Mayank Mishra (IT), Ayush Nayak (Computer Engg)
- Group 4: Shrey Nagda (IT), Anish Yadav (CSE DS), Krishna Mishra (CSE AIML), Anubhav Singh (IT)

We would like to share that 4 students: Prachiti Parab (CSE AIML), Omkar Chandgaonkar (IT), Mohini Deore (CSE DS), and Mayank Mishra (IT), exceeded our expectations with their outstanding performance and contributions. We would like to extend their tenure by one month.

Additionally, a detailed report of the work accomplished by the students during their tenure will be shortly shared by our team – Ammar/Avinash.

This achievement reflects the quality of education and mentorship provided by the college and highlights the students’ ability to excel in real-world professional environments.

Thank you for your continued guidance and support in nurturing such talent.

Regards

Vivian Tauro

Dear Sir & Madam,

I am sharing allotment of Problem statements for the groups shared earlier with you as well as Institute mentors for every group.

1. Dynamic Translation of Web Applications : Context-aware translation to English/Hindi using a locally maintained glossary of words and meanings.(Group 1)

Institute Mentors: Dr. Sachin Malave(HOD Computer) & Prof. Ramya

2. Maintenance Management System : Development of a system to manage job cards, deliver information, and maintain a knowledge graph of frequently resolved issues.(Group 2)

Institute Mentors: Dr. Pravin Adivarekar (HOD CSE DS) & Prof. Ujjwala Pagare

4. Predictive Equipment Maintenance: Analysis of equipment logs to forecast maintenance needs.(Group 3)

Institute Mentors: Dr. Jaya Gupta (HOD CSE AIML) & Prof. Vijaya Bharati Jagan

5. Live Context-Aware Audio Translation: Real-time translation for training delivery, specifically tailored for armed forces applications.(Group 4)

Institute Mentors: Dr. Kiran Deshpande & Prof. Shafaq Syed

Additionally, as previously discussed, **Prof. Sonal Jain** will serve as the **Single Point of Contact (SPOC)** for this initiative.

Please feel free to reach out in case of any queries or support required.

Dr. Kiran Deshpande
HOD, Information Technology
A. P. Shah Institute of Technology,Thane.

Dear Vivian Sir & Vaishnavi Madam,

Greetings!

Further to our earlier communication and your kind offer of internship opportunities, we are pleased to share the names of the students shortlisted for the internship program. We have formed groups across departments to have better collaboration.

1. Group 1 : Prachiti Parab (CSE AIML), Bhushan Dike(Computer Engg), Abhimanyu Deshmukh(CSE DS), Omkar Chandgaonkar (IT)
2. Group 2 : Ritesh Singh(CSE AIML), Suhani Shah(Computer Engg), Harshal Sakpal(IT)
3. Group 3 : Mohini Deore (CSE DS), Mayank Mishra(IT), Ayush Nayak(Computer Engg)
4. Group 4 : Shrey Nagda(IT), Anish Yadav (CSE DS), Krishna Mishra (CSE AIML), Anubhav Singh(IT)

These students have been briefed about the expectations, including the minimum duration of three months and the requirement of 1–2 days per week in-office visits. We are confident they will contribute meaningfully and gain valuable learning through this engagement.

Please send us problem statements on which students are expected to work during this internship. Kindly let us know if any further information or documentation is required from our side. Prof. Sonal Jain will coordinate this activity.

Looking forward to your continued support and collaboration.

Dear Vivian Sir & Vaishnavi Madam,

Thank you for your warm hospitality during our visit on 11th July 2025. We truly appreciate the opportunity to collaborate and are grateful for your willingness to offer internship opportunities to our students.

We are pleased to accept your offer of internships for our students for a minimum duration of three months, with weekly in-office visits of 1 to 2 days as suggested by you.

We will begin the process of identifying suitable candidates and will share their names with you shortly for your review and further coordination.

Looking forward to a productive partnership.

Dr. Kiran Deshpande
HOD, Information Technology
A. P. Shah Institute of Technology, Thane.

Good evening Sir,

Thank you, Dr. Kiran Sir, Sonal, and Shafaque Ma'am, for visiting our office on 11th July 2025. We truly appreciate your time and interest.

We are pleased to offer internship opportunities for 3 to 4 students, with a minimum duration of three months. Interns are expected to visit our office at least 1 to 2 days per week.

For student evaluation, you may consider the following use-cases:

1. Dynamic Translation of Web Applications : Context-aware translation to English/Hindi using a locally maintained glossary of words and meanings.
2. Integration of Lightweight AR Features : Implementation of 100% open-source, browser-based augmented reality for maintenance and operational guidance.
3. Maintenance Management System : Development of a system to manage job cards, deliver information, and maintain a knowledge graph of frequently resolved issues.
4. Predictive Equipment Maintenance: Analysis of equipment logs to forecast maintenance needs.
5. Live Context-Aware Audio Translation: Real-time translation for training delivery, specifically tailored for armed forces applications.

Additionally, we can accommodate up to 10 students for virtual internships.

Disclaimer: As our organization is classified under Category A of the Indian Licensed Defense Company (ILDC), the release of information related to projects/internships is restricted. Certificates will be issued to college based on self-declarations

provided by the students.

Warm regards,

Vivian
